### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The instant invention claims a method to obtain a layered floor panel having a specific structure. The closest prior art references that relate to the claimed invention are Ungar USP'187 and WO84/02881. The applied prior art references teach that it is known to make and use laminated floors. However, the prior art does not teach or fairly suggest the instant invention wherein the claimed floor panel is produced. .

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to leszek b. kiliman whose telephone number is 571-272-1509. The examiner can normally be reached on M-T, 6.30-5.00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, keith hendricks can be reached on 571-272-1401. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
